“ *Wilma was my grandmother, Betty Hope Moore's, best friend. Wilma always felt like family to us. She always took the time to see how I was, ask me about life, and tell me about her and my grandmother's latest antics. She had a generous heart and I was lucky enough to receive the Cary scholarship when I graduated high school. It helped me pay for my first laptop as well provided gas I needed when I was homesick for my family back in Haskell county, which helped more than she will ever know. Seeing Wilma always brought a smile to my face whether it was her feisty personality, stories about the good ole days, or that friendship bickering with my grandma that can only happen when you've known someone for a lifetime. Wilma's loss is already felt. I will miss her. Sending all my love, thoughts, and prayers to the family —Kaitlin Lashley*
