“ *My Aunt Wilmoth was a joy to visit. We shared the same birthday month and were only a day apart. On her 90 birthday several of us, flew to Texas and had a marvelous time celebrating with cake, ice cream, balloons and lots of good memories! She loved parties and we did party hardy!*

Love to all the family. Wish I could be at her service but unable to attend! Will keep all of y'all in our prayers.

“ *Dear Aunt - You are truly one of a kind! Pearl Buck said, "As we age we must grow antennae and not horns." Reminds me of your outlook on life. I remember decades of cheery optimism, sunshine and hugs. And always, the succulent meals and warm hospitality. You lived a very long life, punctuated with more than your share of pain and suffering, yet always made room to serve others. We love and thank you for your perpetual kindness toward us and our parents . You live forever in our hearts.*

“ *After losing both of my grandmothers a little over 20 years ago, I have been so blessed over the past 5 years to have had a "stand-in" grandmother in Memaw. She has loved me and taken me in as one of her own. I will miss all of our talks and excursions in Gonzales. Thank you for loving Grace and spending so much time with her. I'll try and take good care of Sam for you:)*

Love you,

Amanda

“ This week a lot of history passed away. The stories, the memories, the images of yesterday will always be an important part of my life. Your My MEMAW! YOU taught me to love life, books, travel, great food, politics, history, and exposed me to so many wonderful things. YOU gave of yourself to care for others and left a legacy for the rest of us to follow. Memaw, you will always be missed. We love you and enjoyed you living your little house next to us this last year. Your yellow roses are blooming so pretty this morning. I will miss eating at the Italian place and seeing you enjoy the tamales here in Gonzales. I looked outside last night and saw your light on next door, but realized you were no longer here but at home with Jesus. Love ya Memaw, your grandson, Sam!!!!
